#### § 3001.25 Discovery—general policy.

(a) Rules 26 through 28 allow discovery reasonably calculated to lead to admissible evidence during a noticed proceeding. Generally, discovery against a participant will be scheduled to end prior to the receipt into evidence of that participant's direct case. An exception to this procedure shall operate in all proceedings brought under 39 U.S.C. 3622, 3623, 3661 and 3662 when a participant needs to obtain information (such as operating procedures or data) available only from the Postal Service. Discovery requests of this nature are permissible only for the purpose of the development of rebuttal testimony and may be made up to 20 days prior to the filing date for final rebuttal testimony.

(b) The discovery procedures set forth in rules 26 through 28 are not exclusive. Participants are encouraged to engage in informal discovery whenever possible to clarify exhibits and testimony. The results of these efforts may be introduced into the record by stipulation, by supplementary testimony or exhibit, by presenting selected written interrogatories and answers for adoption by a witness at the hearing, or by other appropriate means. In the interest of reducing motion practice, parties also are expected to use informal means to clarify questions and to identify portions of discovery requests considered overbroad or burdensome.

(c) If a participant or an officer or agent of a participant fails to obey an order of the Commission or the presiding officer to provide or permit discovery pursuant to §§ 3001.26 to 3001.28, the Commission or the presiding officer may make such orders in regard to the failure as are just, and among others, may direct that the matters regarding which the order was made or any other designated facts shall be taken to be established for the purposes of the proceeding in accordance with the claim of the participants obtaining the order,

or prohibit the disobedient participant from introducing designated matters in evidence, or strike the evidence, complaint or pleadings or parts thereof.

#### § 3001.26 Interrogatories for purpose of discovery.

(a) *Service and contents.* In the interest of expedition and limited to information which appears reasonably calculated to lead to the discovery of admissible evidence, any participant may propound to any other participant in a proceeding written, sequentially numbered interrogatories, by witness, requesting nonprivileged information relevant to the subject matter in such proceeding, to be answered by the participant served, who shall furnish such information as is available to the participant. A participant through interrogatories may require any other participant to identify each person whom the other participant expects to call as a witness at the hearing and to state the subject matter on which the witness is expected to testify. The participant propounding the interrogatories shall file them with the Commission in conformance with §§ 3001.9 through 3001.12. Follow-up interrogatories to clarify or elaborate on the answer to an earlier discovery request may be filed after the initial discovery period ends. They must be filed within seven days of receipt of the answer to the previous interrogatory unless extraordinary circumstances are shown.

(b) *Answers.* Answers to discovery requests shall be prepared so that they can be incorporated as written cross-examination. Each answer shall begin on a separate page, identify the individual responding and the relevant testimony number, if any, the participant who asked the question, and the number and text of the question. Each interrogatory shall be answered separately and fully in writing, unless it is objected to, in which event the reasons for objection shall be stated in the manner prescribed by paragraph (c) of this section. The participant responding to the interrogatories shall file the answers in conformance with §§ 3001.9 through 3001.12 within 14 days of the filing of the interrogatories or within such other period as may be fixed by
